LEON HESS

Chairman of the Board

With the dawn of unrestricted free agency fast-approaching in December of 1992, Leon Hess assured Dick Steinberg that the Jets would be active in the NFL's new free agent market, and proved to be a man of his word. In just two years the Jets have added a wide range of veteran talent via free agency including future Hall of Famers Ronnie Lott and Art Monk. The team also orchestrated two major trades prior to the 1993 season that brought another two Pro Bowlers to New York in QB Boomer Esiason and 1993 team MVP Johnny Johnson.

At the end of the 1989 season Hess made the bold decision to change the direction of the club and began a search for the best "football" man to run the club. In December, 1989 he named Steinberg to the post of vice president and general manager. By 1991 the Jets had made a return to the playoffs, their first post season appearance since 1986. Now coming off an 8-8 season, a four-game improvement over 1992, and with a new coaching staff in place headed by Pete Carroll, the Jets appear ready to take the next step.

Hess has continuously sought the finest football facilities for both the players and the fans throughout the years. After citing Shea Stadium as "the NFL's poorest facilities for players and spectators alike," Hess announced plans to move to the Meadowlands prior to the 1984 season. As a result, during the last nine seasons, thousands of additional Jets fans have had the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sightlines.

In addition, Hess has continued to provide the Jets players and staff with outstanding facilities by building an ultra-modern locker room at the Meadowlands and by improving the Weeb Ewbank training complex at Hofstra University with a new AstroTurf field, a new locker room and weight room and additional offices.

In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame dinner. He joined an impressive list of past winners including Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, the Chairman of the Board of the Amerada Hess Corporation, has been the sole owner of the Jets since 1984 and has been actively involved in the development of the club since acquiring part of the franchise in 1963. He is also a valued member of the NFL's Broadcasting Committee which negotiates the league's TV rights.

STEVE GUTMAN

President

As president of the Jets Steve Gutman has been a key figure in the team's return to respectability in the ranks of professional sports while helping to set the path for the future of the NFL. Not only has he been instrumental in the Jets pursuit of veteran players, but he also played a vital role in negotiating the NFL's Collective Bargaining Agreement as a member of the NFL Management Council's Work Group.

In 1989, he and Leon Hess led the search which resulted in the hiring of Dick Steinberg as general manager. That, and many subsequent moves that followed, helped the Jets reach the playoffs in 1991, their first postseason appearance since 1986.

In the past two seasons, under the rules of the NFL's Collective Bargaining Agreement, the Jets have been one of the most aggressive teams in the free agent market, acquiring several veteran players including future Hall of Famers Ronnie Lott and Art Monk and outstanding kicker Nick Lowery. The Jets also acquired Pro Bowl QB Boomer Esiason and 1993 team MVP Johnny Johnson through trades, thus using every available avenue in acquiring the players that will lead the Jets into the 1990's.

Gutman, who works closely with Hess, was named president on June 14, 1988. He has been with the Jets since 1977. His first 11 seasons were spent serving as the corporate treasurer-secretary and administrative manager. In that role he supervised the daily operation of the club and served on the Board of Directors. He also directed all the Jets fiscal operations including player contract negotiations, tickets and marketing. Gutman has added the responsibilities of the presidency while still directing all of the fiscal and daily operations of the club.

Gutman is a respected figure around NFL circles. He is a member of the NFL's International Committee and was recently appointed to the Executive Committee of NFL Properties. In 1991, he was appointed by Paul Tagliabue to the Management Council Work Group. He served as an economic consultant to the NFLMC during the 1982 collective bargaining sessions with the NFLPA. He is also a member of the Players Pension Plan Committee. He is involved in community and charity projects, and his efforts were recognized this year when the Cystic Fibrosis Foundation honored him as the recipient of the 65 Roses Award for his part in the Jets fight against CF.

Prior to joining the Jets in 1977, Gutman had extensive experience as a financial consultant in areas of securities, research, sales, underwriting, investment banking and management.

Gutman received his BS in accounting and MBA in corporate finance from New York University. He was born January 24, 1935 in the Bronx, NY. He and his wife Carol have three children, sons Fred and Rob and daughter Elise.

DICK STEINBERG

General Manager

After the 1992 season Dick Steinberg decided that the Jets were in need of veteran leadership. With the age of free agency on the horizon, he set out, using all avenues available to find the players that would lead the Jets into the 1990's.

He has been successful. In just two years he has added a strong corps of veterans through free agency, including future Hall of Famers Ronnie Lott, Art Monk and Nick Lowery, and through trades, acquiring Pro Bowl QB Boomer Esiason and 1993 team MVP Johnny Johnson. In addition to Monk, 1993 saw Steinberg acquire Pro Bowl punter Brian Hansen and defensive stalwart Donald Evans via free agency.

"We have the commitment and the resources to improve through whatever avenues are available," said Steinberg. "Mr. Hess very badly wants the team to do well. The rules of the game have changed. You can no longer rely on just the draft to build your team. The advent of free agency has changed all that."

He has however, injected a strong dose of talent into the Jets nucleus of young players through the draft with players such as Mo Lewis, Rob Moore, Siupeli Malamala and Marvin Jones. And this year he plucked speedy All-America DB Aaron Glenn and a record-setting receiver in Ryan Yarbrough from the college ranks.

With the infusion of veteran leadership, a growing nucleus of talented, young players and an energetic and experienced coaching staff led by Pete Carroll, Steinberg feels the Jets are headed in the right direction.

"We know what we're getting in Pete," said Steinberg. "He's a great motivator, a great teacher, he understands the entire picture and understands personnel. He will fit in well and give us continuity."

In his first full season with the team in 1990 the Jets had 23 players with one or fewer years of NFL experience. That team finished with a 6-10 record while having the lead at halftime in 11 games and after three quarters in seven games.

They learned from that experience and in 1991 they finished 2nd in the AFC East at 8-8 and made their first appearance in the playoffs in five years.

"With Dick running the show, they've become an aggressive team," said 49er president John McVay.

The Jets named Steinberg as vice president and general manager of the club on December 18, 1989 giving the former New England Patriots director of player development full control of the Jets' football operations.

STEINBERG (continued)

"Dick Steinberg was named vice president and general manager of the Jets following extensive interviews with myself and president Steve Gutman which have led to our finding the best 'football' man to take full charge of our team's operations," said New York Jets owner Leon Hess. "Steinberg's authority and command of the football operations will be with full power to bring about those changes which are necessary to rebuild the team."

"Dick has been given full authority to run the football operation," said Jets president Steve Gutman. "Given the opportunity to get a Dick Steinberg, someone of that caliber and reputation, we had to do it."

Steinberg came to New York not only highly regarded by the Jets, but also well respected by others in the NFL.

"I just think he's one of the better people we have in this business," said Giants general manager George Young. "Does he have the background, knowledge, instincts, guts, work ethic? Has he been with winning teams and does he have ideas that give him a chance to win? It's yes to all those things. Nobody is a sure thing, but I'll take my chances with a guy like him. Dick knows what it takes to win."

"Dick is a hard worker with a terrific eye for talent," said Chargers general manager Bobby Beathard. "I think he has a good feel about the whole picture--coaching and the strengths and weaknesses of a team. He's not a guy who thinks he's some hot number. He's kind of laid back and easy to get along with."

Steinberg, who has selected the talent for two Super Bowl teams--the Patriots of Super Bowl XX in 1986 and the Rams of Super Bowl XIV in 1980--is considered one of the most knowledgeable minds in the NFL and a top talent hunter. He came to the Jets after nine years with the New England Patriots as director of player development. At New England, Steinberg acquired Pro Bowlers Andre Tippett, Brian Holloway, Tony Collins, Irving Fryar and Fred Marion and traded for Sean Farrell to solidify its offensive line.

Steinberg originally left the Patriots as a scout (1972-76) to become director of college scouting for the Rams in June, 1976. He remained in that post until being promoted to the position of director of player personnel, a job he held until June, 1980. In his first draft with the Rams in 1977 his first four picks were Bob Brudzinski, Nolan Cromwell, Wendell Tyler and Vince Ferragamo, all key figures in their Super Bowl season.

After his four-year stay with the Rams, Steinberg joined then general manager Steve Rosenbloom as vice president of player personnel with New Orleans. Steinberg later resigned that position on January 20, 1981 before rejoining the Patriots.

Regarding his philosophy on the draft Steinberg said, "If you get away from taking the best player on the board you are making a mistake. If you've got five good receivers, and you take another one, don't worry. That's been proven so many times. It comes back to haunt you. We don't mind stockpiling talent at all because the injury factor is so prevalent."

A native of Philadelphia, born August 9, 1935, Steinberg played football and majored in physical education and health at Temple University. In addition to serving a two-year tour of duty with the U.S. Army in France, Steinberg was a high school coach at Philadelphia's Roman Catholic High School (1960-61) and at Staunton (VA) Military Academy (1961-64). He then entered the collegiate coaching ranks as an assistant at Vanderbilt (1964-66) and Kansas State (1967-69).

Following a brief stint as a scout with the Dallas Cowboys in 1969, Steinberg spent two seasons as an assistant coach at Southern Mississippi (1970-71) before joining the Patriots as a personnel scout under then director of player personnel Bucko Kilroy. Steinberg served with the Patriots from 1972-76 before departing for the Rams.

PETE CARROLL

Head Coach

The New York Jets promoted defensive coordinator Pete Carroll to the position of head coach on January 7, 1994, replacing Bruce Coslet. Jets vice president and general manager Dick Steinberg selected Carroll without interviewing another candidate.

"We've really been conducting a four-year interview with Pete. He's a very active guy and he's excellent with people," said Steinberg. "We know what we're getting in Pete. He's a great motivator, a great teacher, he understands the entire picture and he understands personnel."

Carroll, 42, who becomes the ninth full-time head coach in franchise history, is also the 5th-youngest head man in the NFL behind David Shula (34), Bill Cowher (36), Dave Wannstedt (41) and Bill Belichick (41).

One of the most respected young coaches in the NFL, Carroll spent the past four seasons as the Jets defensive coordinator. His aggressive, attacking scheme helped turn the Jets defense into one of the NFL's finest units.

In 1993 the defense ranked second in the AFC and eighth in the NFL in total yardage allowed (294.5 per game) and third in the AFC and sixth in the NFL in points allowed (15.4 per game). During the season the defense had a string of three consecutive games in which they did not allow a touchdown and posted two shutouts. There was also an eight-game span that saw the Jets win six games and the defense allow only 4 offensive touchdowns.

Another trademark of Carroll's defense has been its ability to create turnovers. Over the last three seasons the Jets have forced 113 take-aways, the second most in the AFC and fourth most in the NFL behind Philadelphia (120), Buffalo (119) and New Orleans (116). In 1993 the Jets finished tied for fifth in the AFC and NFL with 37 take-aways.

During his four seasons in New York the Jets defense has improved in nearly every defensive category. Total yards allowed dropped from 374.6 yards per game in 1989 to 294.5 per game in 1993. The rushing defense improved by more than 40 yards per game, going from 133.5 to 92.1 and the pass defense improved from 241.1 to 202.4. And in the important points per game category, the Jets climbed from 13th in the AFC and 25th in the NFL in 1989 to third in the AFC and sixth in the NFL, dropping from 411 points to 247 points allowed during the season.

"We want to put out a team that's very aggressive and plays at a high intensity level," said Carroll. "What we did on defense last year is

CARROLL *(continued)*

what I see our whole team doing. It's not going to be a different approach."

Carroll was the first coach named to Coslet's staff in 1990 after spending five seasons with the Minnesota Vikings as their secondary coach from 1985-89. There, he was instrumental in the development of Pro Bowlers Joey Browner and Carl Lee and began to develop a reputation as an aggressive defensive coach. In 1988-89 the Vikings had the top-ranked defense in the NFL and in 1989 Minnesota's pass defense led the league, allowing just 156.3 passing yards per game. In 1988 the Vikings were second in the NFL in passing defense (155.6 yards per game). And again, it was turnovers that were Carroll's imprint. In his five seasons with the Vikings, the defense averaged 25 INT per season.

Prior to joining Minnesota, Carroll broke into the NFL coaching ranks with Buffalo as its secondary coach in 1984. His coaching career began in 1974 as a graduate assistant at his alma mater, the University of the Pacific where he stayed until 1976. He then moved on to Arkansas in 1977 and made stops at Iowa State (1978), Ohio State (1979), North Carolina State (1980-82) and again at Pacific (1983) as assistant head coach before moving on to the pros.

As a player, Carroll had a tryout with the Hawaiians of the WFL after a stellar playing career at Pacific (1971-72) where he was recruited and coached by current Jets QB coach Walt Harris and played with Jets defensive coordinator Greg Robinson. Carroll went on to win All-Pacific Coast Conference honors twice at DB and earned his bachelor's degree in Business Administration. He later earned his master's in physical education from Pacific.

Carroll was born on September 15, 1951 in San Francisco, CA where he was a football standout at Redwood High School. He and his wife Glenna have three children, sons Brennan 15 and Nathan 7, and daughter Jaime 12.

WHAT THEY'RE SAYING ABOUT PETE CARROLL

GM DICK STEINBERG: On Carroll's qualifications: "He's ready for the job. I watched him as a college coach and as a player. He hasn't missed a stop, which we kind of like. He's been a grad assistant, he's lined the field, he's painted the goal posts and walked around with a bunch of keys on his side, opening gates."

JETS DEFENSIVE COORDINATOR GREG ROBINSON: On Carroll's feel for the game: "What may be the great thing to do to an offense may not be something we should do with the people we have. Pete is very good at seeing that big picture. He has a good feel for our players and their talents and how they can be used against a particular opponent."

FS RONNIE LOTT on Carroll's Defensive Scheme and Coaching Style: "I knew Pete would put people in the right position to make plays. I also knew that the players he had here are players capable of understanding his system and making things happen. He's got a good mix and he knows how to work his players."

CB JAMES HASTY on Carroll's coaching qualities: "I think Pete will be a good head coach. Look at what he's done here. I can't remember too often where we went into a game and were not in total sync and didn't have a total understanding of what our opponent was going to do."

LB MO LEWIS On Carroll's working relationship with his players: "He knows that the players are the ones on the field and they have the best feel for the tempo of a game. If a call comes in from Pete and everyone doesn't agree with it, we can come to the sidelines and say, 'Hey Pete, that call isn't going to get it done.' He'll listen and change to something else. From what I hear from other players on other teams, that is rare."

DE JEFF LAGEMAN: "He reminds me somewhat of Dennis Byrd. In this day and age, when professional sports has become more business, he adds that fun. I'm happy for Pete. I think he's going to be a great coach."

CARROLL *(continued)*

SS BRIAN WASHINGTON: Pete's a good person and a good coach. He's going to do an excellent job."

GREEN BAY PACKERS GM RON WOLF: "I have always had a very high opinion of Pete. The great quality he has is the ability to communicate. Pete is in tune with what's going on in the 21st century, and you can't underestimate that in today's game."

FORMER MINNESOTA HEAD COACH BUD GRANT: "A lot of people aspire to be a head coach, but there's more to coaching than being a technician. You have to have an insight, a timing, a strength of being able to make a decision. Pete has this. He can make a decision and keep going. He has a feel for the right thing to do. And if you ask him why he did it, he can't always tell you why. It's just instinct. He has that ability."

More **GRANT:** "Pete is capable of making the tough decision. He's a good solid person. And he has a good family situation. Some coaches get cloistered. You have to have a buffer between football and the rest of your life. Pete keeps things in perspective. He knows what is really important. Pete will do a good job."

TAMPA BAY DEFENSIVE COORDINATOR FLOYD PETERS: "Pete did an outstanding job for us (at MIN where Peters was defensive coordinator). He's very active and energetic, and he will add a spark and maybe a fresh approach for the Jets. You got a good football coach. I'm happy for him."

MINNESOTA CB CARL LEE: "He's a very intelligent coach. He did an exceptionally good job with our defense. He was very relaxed, flexible and easy to work with."

HOW THEY BECAME THE JETS

On March 28, 1963 a five-man syndicate composed of David A. (Sonny) Werblin, Leon Hess, Townsend B. Martin, Donald C. Lillis and Philip H. Iselin purchased the New York Titans of the American Football League for the price of \$1 million.

Less than a month later, on April 15, Werblin, the team's president and CEO renamed the team the "Jets". The reasons were twofold. At the time, the United States was entering the "space" or "Jet Age". Commercial airlines were filling the air and soon there would be men walking on the moon. Also, the Jets new stadium, Shea Stadium, would be located in Flushing Meadows, NY between LaGuardia and Idlewild (later renamed John F. Kennedy Airport) Airports. Hence the name, New York Jets.

People always give him credit for being an intelligent guy because he calls all the signals, all the corrections, all the alerts, and gets everyone lined up right. But he's more than just that. He's a heck of a football player. He makes a lot of tackles and is always in the right spot, and on his pass drops he forces QBs to go the other way.

—Jets LB coach Foge Fazio

He's a tremendous note-taker. I could use them to write a book on my techniques and fundamentals. He's like an encyclopedia.

—Foge Fazio

Every time I turn around he's making a tackle. But he's always played like that. A great game from Kyle is not the exception to the rule...It's the rule.

—Jets DE Marvin Washington

They bring in someone every year to take your spot, and I realize I'm in the latter stages of my career. The thing you always want to do is get in one more year. That's all I've been doing since year one, hoping for another year. From my first year here, I was just happy to be on the team.

I'm surrounded by some really talented people. A lot of guys make plays and everybody's getting a chance to make a TD. I'm like a kid in a candy store. I just get them the ball and let them do their thing. It's nice to be the ringleader of that. —Boomer Esiason

He has shown that he has the ability to kick in very tough weather conditions at New England and Cleveland, similar to what we can experience in the AFC East.

—Jets head coach Pete Carroll

There are a lot of guys who can kick the ball in practice in a no-pressure situation. But it's a whole different situation 'live' in the game. The least little doubt you may have can kill you. If I don't take the right mental approach into every game, I don't stand a chance. You can't just show up on game day and turn it on.

We're going to wear Johnny Johnson out this year. We're going to create a real forceful, attacking attitude, create it throughout the whole team, and he's going to be a big part of that.

—Jets head coach Pete Carroll

He's a thunderback. He's a guy we call on for heavy duty stuff and he's a lot quicker than people think. He'll eat up a lot of real estate and the wear won't get to him.

—Jets RB coach Johnny Roland

He has been the single-best addition to the team. He's been a diamond for us. He's just an all-around team player.

—Jets QB Boomer Esiason

I have never seen a back like Johnny Johnson. He doesn't look strong, but he's strong. He doesn't look fast, but he's fast. He doesn't look like he can catch, but he can catch. A lot of teams don't know the type of back he is until they see him on the field. It's like Mike Tyson said: 'Everybody said they can take a punch until they got hit by me.' That's what Johnny is. People take him for granted even though he's been to the Pro Bowl. Now they're beginning to know he's for real.

—Jets SS Brian Washington

In my opinion, he's a hell of a back. Going north and south, you don't see any tougher.

—Buffalo LB Darryl Talley

He's probably one of the greatest athletes I've ever seen playing middle LB. Hopefully he'll be able to prove that.

—Jets DE Jeff Lageman

Guys like Marvin are like gunslingers. You're not going to talk to a gunslinger about how fast he can draw. You just sit back and watch.

—Jets FS Ronnie Lott on Jones' big hits

Life's just too short to be sad. I guess that's why I'm always smiling. You know, football is a big part of my life, so why not take it in stride and be happy with it and always have a good and positive attitude? You take a good and positive attitude on the field too, but you also have to take *an attitude*, definitely.

We know he played through some pain and some hurt last year and he still performed really well. The thing that really stands out most is that he's played well in the clutch. In critical situations he came through with big plays. It's obvious we can count on him to make something happen when we need it.

—Jets head coach Pete Carroll

You have to give him an A+ as far as toughness. The nerves in his neck were shot, his neck was hurting. Who knows how much pain he played through.

—Jets LB Mo Lewis

He's always given me problems. I've always said he's one of the best players around at his position. He's very underrated. He does a great job.

—Buffalo QB Jim Kelly

You've got to give it up for the team if you want to be successful. You've got to play with pain, play with an injury here and there. That's what it takes.

—Jets head coach Pete Carroll

It's like when a RB gets 1000 yards and credits the offensive line and gives them Rolex watches. That's the way I feel about the defensive line. I can't afford Rolex. I might get them Timex watches. They keep the same time.

Siupeli Malamala is one of the finest young men I've ever coached. He brings an unbridled enthusiasm to the field, whether it's practice or a game. The spirit he brings rubs off, even on the veterans. He has all the physical elements to be an outstanding NFL offensive tackle.

—Jets O-line coach Larry Beightol

He has done tremendous things for a 2nd-year player. I marvel at the things he has accomplished. He's very bright and aware and he's a tremendous competitor, as tough as they come.

—Larry Beightol

Siupeli is kind of an aberration because he's a big Tongan. Most Tongans are my size (5-9). Samoans are genetically bigger. Siupeli is the biggest Tongan I've ever seen.

LOWERY (continued)

We are happy that we were able to acquire a player of Nick Lowery's ability. He is probably one of the most consistent and productive place kickers of all time. He should certainly strengthen our chances of having a successful season in 1994.

—Jets GM Dick Steinberg

As we entered the season we had some objectives to meet regarding personnel, and one of the key areas we wanted to focus in on was the kicking game. By bringing Nick on board we get a guy who has great experience, has made kicks in the big games and kicked in all situations, under all circumstances. He is the most accurate kicker in NFL history and a great point scorer. We feel very fortunate that Nick Lowery is going to kick for the New York Jets.

—Jets head coach Pete Carroll

PERSONAL: Single...pre-arts and science major...consensus All-America selection at Kalaheo High School in Kalaheo, HI...2nd team All-America Strength squad pick by *Bigger, Faster and Stronger* magazine...born in Tofoa, Tonga.

Siupeli Malamala is one of the finest young men I've ever coached. He brings an unbridled enthusiasm to the field, whether it's practice or a game. The spirit he brings rubs off, even on the veterans. He has all the physical elements to be an outstanding NFL offensive tackle. —Jets O-line coach Larry Beightol

He has done tremendous things for a 2nd-year player. I marvel at the things he has accomplished. He's very bright and aware and he's a tremendous competitor, as tough as they come. —Larry Beightol

Siupeli is kind of an aberration because he's a big Tongan. Most Tongans are my size (5-9). Samoans are genetically bigger. Siupeli is the biggest Tongan I've ever seen. —Fellow Tongan and former NFLer Vai Sikahema

Rodney Holman (CIN's All-Pro TE) was fast in his day, but not this fast. This kid has a lot of talent. Some of the things he's done for us have been amazing. He's the real deal. Athletically, he's probably the best TE in the AFC right now, no doubt in my mind.

—Jets QB Boomer Esiason

It's fun to play with a guy like Johnny. He's a very dangerous weapon. He calls himself '7-11' because he's open 24 hours a day, regardless of what the coverage is.

—Boomer Esiason

As long as they have those wide guys to keep the coverages honest, Mitchell can be a great one.

He just makes a lot of plays. There is no time when he takes any time off. He's one of those guys who sets a standard for work ethic. He keeps the heat on everybody because he never lets up.
—Jets head coach Pete Carroll

Here's a guy who's been in the league a long time and it doesn't matter if he's hurt or tired, he's out there on the field. All I do is admire him. I hear him say everything hurts, but when you tell him to take a day off he says, 'No sir, buddy. As soon as I take a day off, it might be my last day.'
—Jets LB Mo Lewis

I've been in the league for 11 years. I'm supposed to bring leadership to this team. I also have to look at myself in the mirror. You have to practice the way you play on Sunday. —Bill Pickel

He's the funniest guy on the team, you just don't know it.

He just makes a lot of plays. There is no time when he takes any time off. He's one of those guys who sets a standard for work ethic. He keeps the heat on everybody because he never lets up.

Here's a guy who's been in the league a long time and it doesn't matter if he's hurt or tired, he's out there on the field. All I do is admire him. I hear him say everything hurts, but when you tell him to take a day off he says, 'No sir, buddy. As soon as I take a day off, it might be my last day.'
—Jets LB Mo Lewis

Lou Benfatti is an excellent defensive lineman. He has exceptional quickness in-line. He gets off blocks quickly. He's been a very productive guy in an excellent system and the type of player we feel can contribute at either of the in-line spots--the eagle tackle or the nose tackle. He's going to develop some in size, he's got real good height. We feel he's going to be a real asset to our defensive line and just give us more depth there. We feel he has a lot of upside potential.

—Jets Director of Player Personnel Dick Haley

Lou is very emotional and aggressive. He can make things happen with his quickness, explosiveness and strength. He gets great penetration.

Glenn Foley combines a very strong, quick, very accurate arm with the good intangibles, the anticipation, vision, timing and touch. He has just completed a highly productive and efficient season. He doesn't throw interceptions. He's a tough guy who stands in the pocket and takes shots. We feel he has a good chance to be an NFL quarterback.

—Jets GM Dick Steinberg

The strength of Glenn Foley's game is his arm, his quick release, his accuracy and the intangibles. He sees the field, he's got the anticipation and timing and he feels pressure and can slide. But his biggest thing is his skill throwing the ball.

—Dick Steinberg

He's definitely aware of everything that's going on out on the field. He can handle all the adjustments for the defensive schemes. He can make the audibles. He understands all the packages for the different situations.

—Jacksonville Jaguars head coach & former BC head coach Tom Coughlin

Not all quarterbacks are willing to accept the total leadership responsibility, but this kid does.

200 yards receiving and 7 INT...also lettered in basketball and track at Nimitz High School in his hometown of Aldine, TX...born in Humble, TX.

Aaron is an outstanding person and a great athlete. He's been timed by us in under 4.4. His performance in some of the athletic tests that we do has been the best that we've ever gotten from any athlete. We're extremely happy that we were able to get a player of his quality with our pick.

—Jets GM Dick Steinberg

Aaron Glenn is a player who can score touchdowns from the defensive side of the field. He's a very special athlete. He's got great quickness, great change of direction and almost unmatched physical ability in covering people. We're real happy to have him.

—Jets head coach Pete Carroll

I can't imagine a better cornerback in the country than Aaron Glenn. If there's such a thing as a can't miss guy, Aaron will be a can't miss guy. You can't go wrong with him. Normally, the key questions NFL teams have of players in the draft are, 'What are his faults; where does he grade down?' I wouldn't grade him down at anything. I don't throw superlatives around very easily, and I can't say enough about the kid.

—Texas A & M head coach R.C. Slocum

When he catches the ball, whether it's an interception or on a return, there's a good chance he might take it to the end zone. When you kick the ball to him you better hold on.

—Texas A & M head coach R.C. Slocum

We knew from his first practice he had very good speed and quickness, but he hadn't learned our system. After about a week, he not only learned our system, but had become proficient in it. But he had never played in a game. After we saw him in a game, we knew he could be something special.

—Texas A & M DB coach Trent Walters

I knew I'd be compared to Kevin Smith (DAL CB and Aggie career INT leader), but I figured that gave me more hype. And I knew if I could do the job, the attention would come. And I wanted a lot of attention. I like the attention.

—Aaron Glenn

When they told me I was coming to the Jets, the 1st thing I thought of was Ronnie Lott. It's a once-in-a-lifetime thing, playing with a Hall of Famer. The way he plays the game, he puts his heart into it. He's the kind of guy who, no matter what the score is, he never gives up. He plays all 60 minutes of every game and that's how it should be played.

Fred Lester is a big, strong, fast fullback who we feel is a very aggressive runner and a very aggressive blocker. We were real impressed with him in the Indianapolis workout and then (Jets scout) Don Grammer worked him out at Alabama A & M and was very impressed with his overall ability. We think he can run with the football and he has good hands. He's going to be a guy who we can use as a strong lead blocker in our system. We think he's going to have a chance to stay with us and be a productive player.

MORRIS (continued)

10 games as a senior...was a high school teammate of Jets' LB Marvin Jones...also threw the shot put for the track team at Northwestern High School in his hometown and birthplace of Miami, FL.

Horace Morris is a great speed outside LB prospect. Because of Tennessee's defensive need, he played rush end for them and he was very good at that. He's a very strong guy. He's run exceptional times for us in the 40. He's a guy who we feel is an excellent prospect as a cover-type LB for nickel situations and a special teams prospect. We think he has a real good chance to make the team and contribute.

—Jets Director of Player Personnel Dick Haley

More than anything, Horace has made up his mind to do things as a complete player rather than being a special pass rush guy. You can't be a one-dimensional guy and be on the field very often.

—Tennessee head coach Phil Fulmer

He's a speed guy. He's as quick as can be and he has good strength too. He goes from point A to point B in a flash. He doesn't weigh that much, so he won't be a down guy. But he could be a linebacker. He runs a sub-4.6 40 and benches 450 pounds. That's strong and fast. He definitely has the tools to play in the NFL.

Orlando Parker is a guy we looked at real hard through the year. He's a world class sprinter, has run exceptional times in the 100 and the 55-meters and we feel that his progress was very good through this last year. He's a guy who can get deep and can separate from defensive backs and he has real good running ability after the catch. We think he has excellent overall ability for the position and feel that he gives us the big speed that we need to complement the other receivers that we have. He's going to be a nice addition to our receiving corps.

I think Ryan is a very, very polished receiver. He's had tremendous production, not only in number of catches, but in average per catch and touchdowns. He's been a big play guy. His stats are real impressive but his competitiveness and his clutch play and his big play ability are big features that don't necessarily show in the stat sheet. —Jets GM Dick Steinberg

He's a very clever move guy, a physical guy in a crowd and a guy who carries his pads well and doesn't lose speed when he's wearing the pads. He's a guy who can separate from defenders, which in a lot of cases is more important than just blazing speed. We think that he can come in and compete as a rookie for a starting job. —Dick Steinberg

I don't think there are very many in this country better than Ryan Yarbrough. He makes big catches in critical situations. But consistency is what separates Ryan from most other guys. He's done it over a period of time. —Wyoming head coach Joe Tiller

When you've got a guy with talent like that, you've got to get him the ball. You've got to find ways to do it with the defensive coverages. We can go to him long, or we give it to him short and he turns it into something long. He's just got great talent. —Wyoming QB Joe Hughes

I saw him play in the Copper Bowl against Kansas State and he took one ball 80 or 90 yards. When I saw that I knew he was a good player. Everyone was questioning his speed, but he ran away from everybody that night. —Jets #1 draft pick CB Aaron Glenn

October 31, Jets 10, Giants 6 (71,659) - Rain. Cold. The Jets defense rose to the occasion, stopping the Giants 4 times from inside the Jets' 11 yard line on the final possession to protect their 4-point lead and a victory over their cross-town rivals. Ronnie Lott and James Hasty sealed the Giants fate on 4th & goal from the Jet 11 yard line, with :17 left when they batted away Phil Simms' final pass attempt. It was the 2nd week in a row that the Jet defense had held their opponent without a TD, and it was the first time the Giants had not scored a TD at home since 1986. The defense came up with big plays all day as they held the Giants to just 2 FG despite 4 trips inside the Jets' 20 yard line. The Jets' Marvin Jones set the tone early when on the GIA 1st possession, he stopped RB Jarrod Bunch at the Jet 1-yard line and then recovered a Lewis Tillman fumble at the Jet 3-yard line to snuff out the GIA scoring chance. The Giants got on the board 1st, though, on a 28-yard FG by David Treadwell. Cary Blanchard answered with a 21-yarder for the Jets before Treadwell closed the 1st half scoring with a 23-yard FG. The turning point came on the Jets 2nd possession of the 3rd quarter when the offense orchestrated an 18-play, 11:15 drive that ended with a 1-yard TD run by Brad Baxter that proved to be the difference in the game.

November 7, at Jets 27, Miami 10 (71,306) - Clear, cool. The Jets made Miami coach Don Shula wait another week for his record-setting 325th career victory as they thoroughly dominated the Dolphins at the Meadowlands. QB Boomer Esiason led the offense with 3 TD passes—2 to TE Johnny Mitchell and 1 to WR Chris Burkett—and the defense harassed young QB Scott Mitchell all day. NY took a 10-0 lead, scoring a TD on it's opening drive and adding a FG after Lonnie Young intercepted a Mitchell pass. After Miami got on the board with a 48-yard FG, the Jets closed out the half with an 11-play, 83-yard TD drive to take a 17-3 lead into the locker room. Cary Blanchard added a 43-yard FG in the 3rd quarter to up the lead to 20-3. November 14, Jets 31, at Indianapolis 17 (47,351) - Indoors. The Jets extended their winning streak to 3 games for the 1st time since 1988 and went over the .500 mark with a season-high 458 yards of total offense, including 202 yards rushing. QB Boomer Esiason had a surgeon-like day, carving the Colts defense with 2 TD passes, both to WR Chris Burkett and finished the day with 31-21-256-2 TD-1 INT. The offensive line had one of its best days of the season as they not only protected Esiason—0 sacks for the 3rd straight game and 6th time this season—but also opened holes for RB's Brad Baxter (15-58-3.9-9-1 TD) and Johnny Johnson (21-141-6.7-571-1 TD) who averaged 5.3 yards per carry. After the Colts scored a FG on the game's opening drive, the Jets answered with drives of 80 and 47 yards that culminated in TD by Baxter and Burkett respectively. Indy then took advantage of an Esiason INT with a TD with 1:57 left in the 1st half, but the Jets drove 75 yards and Cary Blanchard kicked a 22-yard FG to end the half. Esiason and Burkett hooked up for the 2nd time on a 4-yard pass in the 3rd quarter to give the Jets a 24-10 lead. The Colts added a TD with 2:20 left in the 3rd, but Johnson sealed the game with a 57-yard TD jaunt, the 3rd longest TD run in Jet history, and gave the Jets their 1st win over the Colts since October 20, 1991.

November 21, at Jets 17, Cincinnati 12 (64,264) - Sunny. Cool. On a day when NY celebrated the 25th anniversary of the Super Bowl III championship team, the Jets extended their winning streak to 4 games for the 1st time since 1986 with a methodical win over the Bengals at the Meadowlands. CIN drove for a 28-yard FG on its 1st possession to open the scoring, but it would be the last time it would touch paydirt until the 4th quarter. Meanwhile, the Jets answered with 3 scores. The 1st came on a 5-yard Brad Baxter run that came at the end of a 19-play, 94-yard 2nd quarter drive that lasted 11:05. On its next possession NY went 80 yards in 6 plays, including a 48-yard pass from Boomer Esiason to Johnny Johnson that set up a 6-yard TD run on the next play for Johnson and gave the Jets a 14-3 halftime lead. Cary Blanchard kicked a 42-yard FG in the 4th quarter to increase the Jets lead before CIN answered with a 4th-quarter TD and scored when Louie Aguiar intentionally took a safety to run out the clock at the end of the game. In the 1st quarter, Esiason surpassed Kenny Stabler as the all-time NFL passing leader for lefthanders.

November 28, Jets 6, at New England 0 (42,810) - Warm, windy. Torrential Rain. The weather conditions were worthy of Noah, but the Jets got enough footing from Cary Blanchard's 2 FG and the defense did the rest, turning in the Jets 1st shutout in 11 years. Fighting the rain and wind gusts up to 68 mph, the Jets marched and squeezeed their way to a 3-0 lead on the opening drive of the game on Blanchard's 33-yd FG. In the 2nd quarter Blanchard was true again, culminating a 14-play, 47-yard drive with a 23-yd FG. That was all the scoring for the day. In between, the Jets offense was busy buying time with 8-17 3rd down conversions and the defense was making big play after big play. It stopped the Patriots at the NY 24, blocked a low FG attempt at the NY 28, crushed a 4th and 1 QB sneak attempt at the NY 40 and applied the final nail at the NY 7 when Lonnie Young stripped Michael Timpson of the ball at the NY 10 and Brian Washington recovered with only 1:28 remaining.

December 5, Indianapolis 9, at Jets 6 (45,799) - Rain. Windy and cool. The Jets 5-game winning streak was stopped by the foot of Dean Biasucci, who kicked 3 FG (40, 24, 38) in the Colts victory over the Jets at the Meadowlands. The Jets dominated in every offensive category, including time of possession (35:05) but were unable to put the ball in the end zone. Cary Blanchard opened the scoring in the 2nd quarter, connecting on a 28-yard FG. The Colts tied the score on the next possession on the 1st of Biasucci's kicks to account for all the 1st half scoring. On their 2nd possession of the 2nd half, the Jets were backed up deep in their own territory when Boomer Esiason hooked up with Chris Burkett on a 77-yard completion that gave the Jets 1st and goal from the IND 7 yard line. However, they could not push it in and were forced to kick another FG. In the 4th quarter, 2 Esiason INT led to the tying and go ahead FG for the Colts, the final 1 coming with :01 remaining in the game. Leonard Marshall was lost for the year in the 2nd half with 2 broken bones in his forearm, but the defense did not allow a TD for the 2nd consecutive game and held IND to 67 yards rushing.

December 11, Jets 3, at Washington 0 (47,970) - Partly sunny, windy and cold. The Jets won a battle of defenses as they turned in their 3rd consecutive game without allowing a TD and their 2nd shutout of the season. Cary Blanchard provided the only scoring of the game with a 45-yard FG at the end of the Jets 1st drive. From there on out the defense took control holding the Redskins to 150 total yards, just 39 on the ground, while WAS never crossed the NY 30. Despite their lack of scoring, the offense was effective rolling up 308 yards of total offense including a season-high 155 rushing yards from RB Johnny Johnson. The Jets also held the ball for an incredible season-high 41:00.

December 18, Dallas 28, at Jets 7 (73,233) - Overcast, cold. The Cowboys broke open a tight 7-0 ball game with a pair of scores 55 seconds apart in the 3rd quarter and went on to defeat the Jets in the Meadowlands. With only 36 seconds remaining in the 1st half, Michael Irvin pulled in a 42-yard TD pass from Troy Aikman to give DAL a 7-0 lead. Then in the 3rd quarter the Cowboys put together their best drive of the game, marching 95 yards in 12 plays, taking a 14-0 lead as Aikman and Irvin teamed up again, this time on a 3-yard scoring strike. Just 3 plays later, Kevin Smith picked off Boomer Esiason and ran it back 32 yards for the TD and a 21-0 DAL lead. The Jets answered back with a 91-yard drive of their own that culminated with a 1-yard TD run by Brad Baxter. The Cowboys put the finishing touches on the scoring with a 36-yard drive after Terance Mathis fumbled on the previous punt return. NY's defense forced 5 turnovers, intercepting Aikman 3 times and recovering 2 fumbles. But the Jets turned the ball over 4 times themselves and couldn't make the most of their opportunities despite holding Emmitt Smith to 91 yards rushing and Irvin to 91 yards receiving.

December 26, at Buffalo 16, Jets 14 (70,817) - Mostly cloudy, windy and cold. The Jets came up short at Buffalo as they missed 3 FG, including a possible game-winning 42-yard attempt with 58 seconds left. BUF, on the other hand, got 3 FG from Steve Christie of 38, 36 and 40 yards, the last 1 coming with 3:48 left to overcome the Jets 14-13 lead. The Bills opened the scoring with a controversial TD by Thurman Thomas on their opening drive (it was ruled that Thomas had possession and didn't fumble for a touchback) and the Jets tied it on a 24-yard TD pass from Boomer Esiason to Johnny Johnson. Mo Lewis intercepted Jim Kelly, but on the next play the Jets fumbled the exchange and BUF recovered and took a 10-7 lead on Christie's 1st FG. The Jets got themselves into a position to tie, but Cary Blanchard's 27-yard attempt was wide left. Just before the half Christie kicked his 36-yarder to increase the BUF lead to 13-7. The Jets took their opening drive of the 2nd half 81 yards in 11 plays and took a 14-13 lead on Esiason's 6-yard TD pass to Chris Burkett. Kyle Clifton had an INT and forced a fumble but the Jets were unable to capitalize with a missed FG and a punt after those respective turnovers. The Bills drove 45 yards in 12 plays to set up Christie's winning kick. The Jets moved from their own 26 to the BUF 24, but Blanchard's 42-yard attempt went wide left.

January 2, at Houston 24, Jets 0 (61,040) - Indoors. With a win in the Astrodome the Jets would have entered the playoffs for the 2nd time in 3 seasons, but it wasn't to be. The Oilers blitzing defense continued it's hot streak, sacking Boomer Esiason 6 times while holding the Jets to 164 total yards (54 rushing) and 9 1st downs. On the other side of the ball HOU opened the scoring with an 83-yard, 8:08-minute TD drive, that ended with a 22-yd pass from Cody Carlson to Ernest Givins in the 1st quarter, and never looked back. Carlson, who started in place of the injured Warren Moon, connected on his 2nd TD of the game in the 2nd quarter on an 8-yard pass to Gary Brown. The Oilers added an Al Del Greco FG in the 3rd and scored on a 16-yard run by Brown in the 4th quarter to cap off the scoring. The Jets were able to move into scoring range twice during the game, but Cary Blanchard missed a 36-yd FG attempt at the end of the 1st half and Boomer Esiason was sacked on a 4th and 6 attempt in the 3rd quarter. The Jets defense recorded 6 sacks and forced 2 turnovers.

FIVE TO PRO BOWL—The Jets send five players to the Pro Bowl. Freeman McNeil, Joe Klecko, Mark Gastineau and Lance Mehl are voted in and Ken O'Brien, named as an alternate, also goes following an injury to Dan Marino. O'Brien is also named MVP by his teammates (Dec. 18).

PLAYOFF CLINCHER—With a 37-10 victory, the Jets finished 11-5 and clinched their 3rd playoff spot in 5 years. Ken O'Brien becomes the first Jet QB to lead the NFL in passer ratings.

WILD CARD PLAYOFF—Turnovers are the story as the Jets commit 4 costly ones while dropping a 26-14 decision to the eventual AFC champions, New England. The Patriots score the backbreaking TD in the 3rd quarter on the return of a fumbled kickoff. Ken O'Brien suffers a concussion and Pat Ryan comes on to play the 2nd half (Dec. 28).

1986

OT THRILLER—In one of the most memorable games in club history, the Jets topped Miami 51-45 in a wild OT contest. Ken O'Brien, who was 29-43-479-4 TD, threw a perfect strike to Wesley Walker from 21 yards out on the final play of regulation to tie the score. In OT, Walker caught a club record 4th TD on a 43-yard bomb at the 2:35 mark. (Sept. 21).

RECORD SETTER—The Jets defense set a club record holding New England to 10-17 rushing in a 31-24 victory. Johnny Hector also set a team mark with 40 rushing attempts for 143 yards and 3 TD. (Oct. 12).

MEHL HURT—Pro Bowl LB Lance Mehl was lost for the season after suffering a knee injury during a 28-24 win over New Orleans (Oct. 26).

WINNING STREAK, GASTINEAU HURT—The Jets won a club record 9th consecutive game with a 31-16 decision over Indianapolis to improve to 10-1 on the season. The win was costly though, as Mark Gastineau suffers a knee injury which forced him to miss the rest of the regular season. (Nov. 16).

INJURIES MOUNT—Injuries continued to be the story as the Jets lost Joe Klecko and Reggie McElroy to reconstructive knee surgery following a 45-24 loss to Pittsburgh (Dec. 13).

PRO BOWLERS, MVP—Al Toon, who set a Jet's record for catches in a season with 85 to finish 2nd in the AFC, is voted MVP by his teammates in addition to being named a Pro Bowl selection. Also named to the Pro Bowl for the first time is Mickey Shuler (Dec. 17).

WILD CARD PLAYOFF WIN—After ending the season with 5 straight defeats, Joe Walton named Pat Ryan as the starting QB for this playoff game, and the Jets won

their first home playoff contest since 1968 with a 35-15 trouncing of Kansas City. The key play of the game was Ryan's 24-yard run on a QB draw on 4th and 6 to the 9-yard line in the 1st quarter. The Jets took the lead 2 plays later and it set the tone of the game (Dec. 28).

1987

DIVISIONAL PLAYOFF—In one of the most disappointing losses in team history, the Jets lost a heartbreaking 23-20 decision in 2 OTs at Cleveland. The Jets opened a 20-10 lead with 4:14 left before the Browns mounted their comeback which tied the score. The Jets received a 2nd life in OT when Mark Moseley missed a 23-yard FG, but his 27-yard FG 2:02 into the 2nd OT sent Cleveland to the AFC championship game. The game was the 3rd longest in NFL history (Jan. 3).

MAYNARD VOTED IN HALL OF FAME—Don Maynard became the second Jet player elected to the Pro Football Hall of Fame, joining his teammate Joe Namath along with their coach Weeb Ewbank. Maynard, who had the second most reception yardage in NFL history, also became the second Jet to have his number retired to go with the honor (Jan. 27).

LEAHY REACHES 1,000—Scoring 7 points in an opening day 31-28 win at Buffalo, Pat Leahy becomes the 13th player in NFL history to register 1,000 points (Sept. 13).

PLAYERS STRIKE—NFLPA strikes pro football following the Jets-New England Monday night game after the 2nd week of the season (Sept. 22).

REPLACEMENT GAMES—The NFL canceled week #3 and prepares to play the schedule with new players and veterans who wish to return. Fielding teams of replacement players, the Jets lose to Dallas 38-24 (Oct. 4) and at Indianapolis 6-0 (Oct. 11).

PLAYERS RETURN—The NFLPA sends the players back to work but miss the deadline for playing week #6 (Oct. 15). In the final week of replacement games, the Jets beat Miami 37-31 in OT at home with Pat Ryan throwing 4 TD passes (Oct. 18).

MAYNARD HONORED—Flanked by fellow Jets' Hall of Famers Weeb Ewbank and Joe Namath, Don Maynard is presented his Hall of Fame ring and his number 13 is retired in a halftime ceremony (Nov. 1).

TOON EXCELS—Al Toon finished the season as the AFC's leading receiver and is named to a starting spot in the Pro Bowl. He also becomes the only Jet other than Joe Namath to be voted MVP by his teammates in consecutive seasons (Dec. 23).

1988

KLECKO WAIVED—Joe Klecko, the only defensive player in NFL history to make the Pro Bowl at 3 different positions (DE, DT, NT), was waived/failed physical after the club recommended that he retire. He turned down an opportunity to join the coaching staff in his attempt to continue playing (Feb. 8).

KENSIL RETIRES, GUTMAN NAMED PRESIDENT—Jim Kensil took medical retirement after serving 11 seasons as team president. Steve Gutman, the club's corporate treasurer and administrative manager since 1977, was named president to succeed Kensil (June 14).

LOST LINEBACKERS—The Jets lose 2 of their veteran LBs in training camp as former Pro Bowler Lance Mehl announces his retirement and Bob Crable injures his knee, undergoes reconstructive surgery, is lost for the year and retires after the season (Aug.).

GASTINEAU RETIRES—Citing personal reasons, Mark Gastineau leaves the team in midseason and announces his retirement. The club places him on reserve/retired (Oct. 21).

O'BRIEN STREAK—In the 3rd quarter of a 17-10 win at Detroit, Ken O'Brien throws his first INT in 211 passing attempts, the 2nd longest streak in NFL history at that point (Sept. 25).

BIG WIN IN MIAMI—Despite Dan Marino passing for the 2nd highest yardage in NFL history (521 yards) the Jets beat the Dolphins in Miami with rookie FS Erik McMillan recording 3 INT and returning 1 for a 55-yard TD (Oct. 23).

BRAGGING RIGHTS—The Jets beat the Giants 27-21 in the final game of the season to post a winning record in 1988 at 8-7-1 and in the process knocked the Giants out of the playoffs. Al Toon caught the winning 5-yard TD pass on a Ken O'Brien 3rd down audible with only :37 left (Dec. 18).

LEAHY ENTERS TOP 10—By scoring 112 points in 1988, Pat Leahy broke into the top 10 all-time NFL scorers and finished the year ranked 8th overall in league history with 1190 career points (Dec. 18).

HONORS—Al Toon became the 1st Jet to lead the NFL in receptions and to also be voted team MVP in 3 consecutive years. He was named to the Pro Bowl along with Mickey Shuler, who was the AFC's leading receiver among TEs; and Erik McMillan, who led the AFC with 8 INT, and was named NFL Defensive Rookie of the Year (Dec. 19).

1989

McMILLAN SETS INT RECORD—Erik McMillan returns an INT 92 yards for a TD vs. Indianapolis to break the 27-year club mark previously held by Wayne Fontes who had recorded an 83-yarder as a member of the NY Titans (Oct. 1). McMillan also tied an NFL record for most fumbles returned for TD in a season (2) when he had a 74-yarder at NO (Oct. 15) and 45-yarder vs. SF (Oct. 29).

MONDAY NIGHT HISTORY—The Jets share a moment of history on Monday Night Football when they play the Raiders in the debut of Art Shell, the first black head coach in the modern era of the NFL. The Raiders beat the Jets 14-7 (Oct. 9).

STEINBERG NAMED VP-GM—Following extensive interviews to find the best "football" man to take full charge of the team's operations, Leon Hess and Steve Gutman name Dick Steinberg, the former New England director of player development, as the Jets' Vice President and General Manager (Dec. 18).

HONORS—Erik McMillan makes it 2 in a row when he is once again named to the Pro Bowl team in his sophomore season, while WR-KR JoJo Townsell is voted MVP by his teammates (Dec. 19).

DISMAL SEASON ENDS—The Jets drop a 37-0 decision to Buffalo in the season finale to finish the year 4-12, the worst record since 1980. It becomes the first time in club history that the team was shut out in back-to-back home games (Dec. 23).

WALTON ERA ENDS—Citing the need for the team to get off to a "fresh start", Dick Steinberg announces his plan to dismiss Joe Walton and begin a search for a new head coach. Walton ends his 7-year reign with a 53-57-1 mark (Dec. 26).

1990

COSLET NAMED HEAD COACH—At the conclusion of his detailed search, Dick Steinberg decided on former Cincinnati offensive coordinator Bruce Coslet as the 8th full-time head coach in club history (Feb. 6).

UNIFORM CHANGE—For the fourth time in club history, and third in Jet annals, the Jets changed their uniform design. The team added a third color, black, to accent the green and white and altered the road uniform by adding green pants (Sept. 9).

FIRST WIN—The Jets registered their first win in the Steinberg/Coslet era in their home debut with a 24-21 win over Cleveland (Sept. 16).

RECORD RETURN—Rookie WR-KR Terance Mathis tied an NFL record shared by three others when he returned a punt 98 yards for a TD in a 24-9 win over Dallas (Nov. 4).

JETS END SEASON ON UPSWING—The Jets wrap up the season with wins over New England and Tampa Bay to finish at 6-10. Pat Leahy was voted MVP by his teammates and finished the season with a team-high 101 points and a career total of 1,362 to move into the number seven spot in NFL history.

1991

LEAHY RECORD SETTER—Pat Leahy tied Jim Turner for 3rd place on the all-time FG chart when he hit his 304th at Detroit on December 8. He would also finish the season as the NFL's 3rd all-time leading scorer with 1,470 points in 250 games played (5th most in NFL history). Leahy finished the season with 108 points (26-37 FG, 30-30 PAT).

HONORS—WR and special teams standout Chris Burkett is voted MVP by his teammates. QB Ken O'Brien would be named to his 2nd career Pro Bowl after being chosen as an alternate (Dec. 18).

BACK TO THE PLAYOFFS—The Jets scored an incredible 23-20 OT win in Miami which put the club in the playoffs for the 1st time since 1986. After Miami scored the go-ahead TD with only :44 left, the Jets drove to tie the game on Raul Allegre's 44-yard FG with no time left and then won the game on a 30-yard FG at 6:15 in OT (Dec. 22).

McNEIL SETS NFL RECORD—By finishing the season with 51-300-5.9 avg., Freeman McNeil broke Joe Perry's mark and set an NFL record by having a 4.0 rushing avg. or better in all 11 of his seasons (Dec. 22).

WILD CARD PLAYOFF—In their 1st playoff game in 5 years, several 2nd half mistakes prevented the Jets from registering an upset win at Houston as they fell, 17-10. A costly INT at the H3 in the 3rd quarter, along with not being able to convert 3rd and 1 and 4th and 1 at the H3 in the 4th quarter would eventually haunt the Jets (Dec. 29).

1992

NAGLE SHINES IN OPENER—After a 5-0 preseason, Browning Nagle threw for 366 yards and 2 TD in the season opener at ATL. The yardage total was the 2nd highest by an NFL QB making his 1st start (Sept. 6).

TOON RETIRES—After suffering a severe concussion in week 9 at Denver, WR Al Toon announced his retirement, citing possible problems from a future concussion. Toon left the game with a club record streak of 101 consecutive games with at least one reception (Nov. 27).

BYRD INJURED—DE Dennis Byrd was partially paralyzed in a freak collision with teammate Scott Mersereau in the 3rd quarter of week 12 game vs. Kansas City (Nov. 29). He had spinal surgery three days later at Lenox Hill Hospital in New York City by Drs. Patrick O'Leary and Martin Camins (Dec. 3), and was then moved to Mount Sinai Medical Center to begin his rehabilitation under the direction of Dr. Kristjan Ragnarsson (Dec. 9).

JETS BREAK SLUMP—Inspired by their teammate Dennis Byrd, the Jets defeated AFC East rival Buffalo 24-17 on the road. S Brian Washington sealed the win, intercepting a 4th quarter Jim Kelly pass and returning it for the winning TD. It was the Jets' first win over the Bills since 1987 (Dec. 6).

WASHINGTON, BYRD HONORED—SS Brian Washington was named team MVP and the Jets honored Byrd with the Most Inspirational Player Award, which was later named the Dennis Byrd Award.

1993

BYRD WALKS—With the aid of two canes, Dennis Byrd walked into a press conference at Mount Sinai Medical Center in New York, to announce that he would be leaving New York and would return home to Tulsa, OK to continue his rehab (Feb. 12). Byrd continued to show improvement in the following months, eventually walking without any aids.

COSLET CONTRACT EXTENDED—The Jets gave head coach Bruce Coslet a 1-year contract extension through the 1994 season (Feb. 18).

LOTT SIGNS—GM Dick Steinberg made his first major signing under the NFL's new Collective Bargaining Agreement by adding nine-time Pro Bowl S Ronnie Lott to the Jets' roster (Mar. 8).

MARSHALL SIGNS—A day after adding Lott, the Jets announced the signing of Pro Bowl DT Leonard Marshall, an 11-year veteran of the Giants. GM Dick Steinberg would sign four more unrestricted free agents: CB Eric Thomas, TE James Thornton, CB-KR Clifford Hicks and S David Tate (Mar. 9).

BOOMER COMES HOME—Dick Steinberg put the finishing touches on a trade with the Cincinnati Bengals, bringing Pro Bowl QB Boomer Esiason, a Long Island native, to the Jets in exchange for a 3rd-round pick in the 1993 draft (Mar. 17).

O'BRIEN TRADED—In a much anticipated move, QB Ken O'Brien, 2nd on the Jets all-time passing list, was traded to Green Bay in exchange for a 5th-round selection in the 1993 draft (Apr. 5).

MCNEIL RETIRES—RB Freeman McNeil, the Jets all-time leading rusher and 14th on the NFL all-time list, retired after 12 seasons. McNeil set an NFL record with at least a 4.0 yd. average in all of his 12 seasons. He finished his career with 8,074 rushing yards and 26 career 100-yd. games (Apr. 21).

DRAFT-DAY TRADE—The Jets traded the 3rd overall selection in the draft to Phoenix in exchange for the Cardinals' pick (#4). That maneuver brought the Jets former Pro Bowl RB Johnny Johnson and Florida State All-America LB Marvin Jones, the player the Jets originally sought with their pick (Apr. 25).

BYRD HONORED—Former DE Dennis Byrd returned to the Meadowlands for the 1st time since his paralyzing accident and walked unaided onto the field before a sold out opening day crowd. He was named an honorary captain for the coin toss and was honored in a halftime ceremony as the 1st recipient of the Dennis Byrd Award (Sept. 5).

BOOMER SETS CLUB MARK—QB Boomer Esiason set a club record for most consecutive completions with 18 over 2 games at Miami (Sept. 12) and vs. New England (Sept. 26). He went on to earn AFC Offensive Player of the Month honors for September.

JETS WIN BRAGGING RIGHTS—In a highly anticipated matchup that lived up to it's pregame hype, the Jets defeated their crosstown rivals, the New York Giants, 10-6 on Halloween day (Oct. 31) to win the bragging rights of New York. The defense held the Giants to 2 FG and stopped them 4 times from inside the Jets' 11-yard line on the final possession. James Hasty and Ronnie Lott batted away a Phil Simms pass in the end zone with :17 remaining to seal the win.

SHULA DENIED—The Jets defeated Miami 27-10 at the Meadowlands, forcing Dolphin coach Don Shula to wait another week for his record breaking 325th career victory (Nov. 7).

WINNING STREAK—RB Johnny Johnson galloped 57 yards for a TD in the 4th quarter at the Hoosierdome to give the Jets a 31-17 win against the Colts, their 3rd consecutive victory and the longest streak of head coach Bruce Coslet's 4-year tenure. The streak extended to 5 games, the longest since the team won 9 straight games in 1986 (Nov. 14).

SUPER REUNION—The members of the Jets Super Bowl III championship team were reunited at the Jets-Bengals game to celebrate the 25th anniversary season of that historic victory. After a full weekend of activities, they were honored at halftime and then watched the Jets come away with a 17-12 victory. The Jets players wore their "original throwback" uniforms to honor the Super Bowl champions (Nov. 21).

JOHNSON VOTED MVP—RB Johnny Johnson was named team MVP in a vote by his teammates. Johnson finished the season ranked 2nd in the AFC in total

yards from scrimmage and his 1393 yards were also the 3rd highest total for a season in Jets history. He was one of only 2 RB in the NFL in 1993 to lead his team in rushing and receptions (Dec. 31).

1994

CARROLL REPLACES COSLET—Defensive coordinator Pete Carroll became the 9th full-time head coach in club history when he replaced Bruce Coslet who compiled a 26-38 record in his 4 seasons with the club (Jan. 7).

EVANS SIGNS—DT-DE Donald Evans became the 1st unrestricted free agent signed by the club in 1994 (Mar. 14).

MORE FREE AGENTS—For the second year in a row the Jets were one of the most active teams in free agency, signing eight players including future Hall of Famers Art Monk and Nick Lowery.

HALL OF FAMERS

WEEB EWBANK

HEAD COACH (1963-73)

GENERAL MANAGER (1963-74)

Weeb Ewbank is the only head coach to build 2 teams from their inception into world champions and was inducted into the Pro Football Hall of Fame on July 29, 1978. Upon his retirement, Ewbank ranked 4th on the all-time coaches victory list with 130. He is the only coach ever to win World Championships in both the NFL (Baltimore 1958-59) and AFL (New York 1968). Two of the most important games in NFL history were the sudden death victory in the 1958 championship, and the Super Bowl III win by the Jets.

Ewbank joined the Jets in 1963 as head coach and GM after serving as head coach of the Colts from 1954-1962. The New Yorkers shocked the world by defeating Ewbank's former team, the Colts 16-7 (the 1st victory for the AFL in the Super Bowl).

Ewbank coached the Jets through 1973 before retiring. He has worked with some of the game's greatest legends including Joe Namath, Don Maynard, Paul Brown, Otto Graham, Johnny Unitas and Raymond Berry.

JOE NAMATH

QUARTERBACK (1965-76)

Joe Namath, "superstar", is an apt description for this Jets quarterback. He was a player who transcended the playing field to become a household name and put a whole league on the map, the AFL. Namath enjoyed a sparkling career and led the Jets to what experts call one of the greatest upsets in sport's history when he guided the team to a 16-7 win over the Baltimore Colts in Super Bowl III on Jan. 12, 1969.

Despite having five knee operations, Namath was one of the game's great quarterbacks and one of its most prolific passers. He was the first player to throw for more than 4,000 yards doing it in a 14-game season (1967). He still holds most of the Jets' passing records and for his pro career completed 1,886 of 3,762 passes for 27,663 yards and 173 TD.

Namath's 1965 signing gave the Jets and the AFL the credibility they needed and started the building to the Super Bowl championship. His legendary Alabama coach Bear Bryant said, "Joe Namath is the greatest athlete I have ever coached."

Namath was elected to the Hall of Fame on January 29, 1985.

DON MAYNARD

WIDE RECEIVER (1960-72)

At the time of his retirement, Don Maynard was the all-time leading receiver in NFL history. Maynard caught 633 passes for 11,834 yards (18.7) for 88 TD. His yardage still ranks 4th all-time and his number of catches is 7th.

Maynard was a four-time AFL All-Star and is a member of the All-Time AFL team chosen by the Pro Football Hall of Fame. He went over the 100-yard receiving mark in 50 games (still an NFL record). The El Paso, TX native joined the AFL in 1960 and was the first Titan to sign a contract.

His most memorable game was the 1968 AFL Championship in which he caught six passes for 118 yards and two TD (including the game-winner) to help put the Jets into the Super Bowl.

The Texas Western (now known as the Univ. of Texas at El Paso) alumnus was enshrined into the Hall of Fame on Aug. 8, 1987.

PLAYOFF HISTORY

1968 AFL CHAMPIONSHIP DEC. 29, 1968—SHEA STADIUM NEW YORK 27, OAKLAND 23

The New York Jets climaxed their finest season in history (11-3) by scoring a 27-23 victory over Oakland. A title game record crowd of 62,627 sat in on chilly and windy proceedings at Shea Stadium and saw Joe Namath toss three touchdown passes.

Despite the fact that Namath attempted a record 49 passes, the Jets still mixed their attack. Matt Snell and Emerson Boozer gained 71 and 51 yards, respectively, behind fine blocking from the front line.

The Raiders carried the game down to the final minutes before Daryle Lamonica's lateral pass for Charlie Smith rolled free and was recovered by the Jets' Ralph Baker.

The victory gave head coach Weeb Ewbank the honor of being the only coach to win titles in both the NFL and AFL.

SUPER BOWL III

JAN. 12, 1969—MIAMI ORANGE BOWL NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17 1/2 point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gaining 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

1969 AFL PLAYOFF
Dec. 20, 1969—SHEA STADIUM
KANSAS CITY 13, NEW YORK 6

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jets 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incomplection and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

1981 AFC WILD CARD PLAYOFF
DEC. 27, 1981—SHEA STADIUM
BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TD and were now down 31-27 with 3:44 to 90. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

1982 AFC PLAYOFF

JAN. 9, 1983—CINCINNATI RIVERFRONT STADIUM
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl Tournament. The game was highlighted by Freeman McNeil's 202 yards rushing, the 3rd highest in playoff history, a TD pass from McNeil and a 98-yard INT for a TD by Darrol Ray to secure the win. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 22 times for 202 yards and one TD.

1982 AFC PLAYOFF

JAN. 15, 1983—LOS ANGELES MEMORIAL COLISEUM
NEW YORK 17, L.A. RAIDERS 14

The Jets sprung upset number two in the 2nd round of the Super Bowl Tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a Freeman McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

1982 AFC CHAMPIONSHIP **JAN. 23, 1983—MIAMI ORANGE BOWL** **MIAMI 14, NEW YORK 0**

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game, which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

1985 AFC WILD CARD PLAYOFF **DEC. 28, 1985—GIANTS STADIUM** **NEW ENGLAND 26, NEW YORK 14**

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and only 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.

1986 AFC WILD CARD PLAYOFF

Dec. 28, 1986—GIANTS STADIUM

NEW YORK 35, KANSAS CITY 15

Joe Walton started Pat Ryan to give the team an emotional lift and it got just that from Ryan plus a key running play and a 3-TD passing performance. The club also received Freeman McNeil's 135-yard rushing performance to spark the Jets' first home playoff win since 1968. Trailing 6-0, Ryan ran a QB draw for 24 yards from the KC33 on a 4th & 6 play to set up the Jets' go ahead TD. On the 1st down of the ensuing series, the Jets defense forced a KC fumble and Ryan concluded a 12-play, 47-yard drive with a 1-yard pass to McNeil. Just prior to the half, Ryan hit Al Toon with a TD pass for a 21-6 halftime edge. The Jets nailed the victory on the 1st play of the 2nd half when Kevin McArthur swiped a Todd Blackledge pass and dashed 21 yards for a 28-6 margin. The Jets' defense allowed a season low 241 yards total offense and had 2 sacks, 2 INT and 1 FR.

1986 AFC DIVISIONAL PLAYOFF

Jan. 3, 1987—CLEVELAND STADIUM

CLEVELAND 23, NEW YORK 20 (2 OTs)

In the 3rd longest game in NFL history (77:02), Cleveland staged an incredible comeback to send the game into OT before Mark Moseley's 27-yard FG advanced the Browns to the AFC Championship game. With Pat Ryan at QB, the Jets jumped on top 7-0 following a flea-flicker 42-yard TD pass from Ryan to Wesley Walker. Ryan was forced to leave the game in the 2nd quarter with a groin injury and was replaced by Ken O'Brien. Meanwhile, the Jets defense was outstanding holding the Browns to just 10 points and 302 total yards until late in the 4th quarter. Immediately after a Jerry Holmes interception, the Jets took a 20-10 lead on Freeman McNeil's 25-yard TD with 4:14 remaining in regulation. Kosar led the Browns 68 yards to set up Kevin Mack's one-yard run to make the score 20-17 with 1:57 left. Cleveland's defense forced the Jets to punt with :51 left before Kosar's 37-yard pass to Webster Slaughter to the 5-yard line set up the tying 22-yard FG. The Jets got a 2nd life when Moseley missed a 23-yard FG 6:06 into OT, but he redeemed himself by kicking the winning 27-yard FG on a first-and-goal play from the J9.

1991 AFC WILD CARD PLAYOFF

Dec. 29, 1991 - Houston Astrodome

HOUSTON 17, NEW YORK 10

The Jets returned to the playoffs for the first time since 1986 and came close to registering an upset win at Houston. Trailing 17-10 with only :20 left at the H47, the Jets were unsuccessful in their attempts to tie the game on 2 Hail Mary passes, the last of which was intercepted to end the game. The game started with Houston taking the opening drive 80 yards in 16 plays for a 7-0 lead. After Erik McMillan's INT halted the Oilers' next drive, the Jets tied the game on Al Toon's 1st TD of the season, a 10-yarder from Ken O'Brien. Warren Moon tossed his 2nd TD pass of the game to Earnest Givens to give the Oilers a 14-10 halftime lead. Three key plays would doom the Jets in the second half. After taking the opening drive of the third quarter down to the H7 in 12 plays, O'Brien's pass intended for Mark Boyer was picked off by Bubba McDowell at the H3. Houston then drove 62 yards in 14 plays for a 53-yard FG to go ahead 17-10. On the Jets' next drive attempting to tie the game from the H3, Brad Baxter was stopped on 3rd and 1 for no gain, and then Freeman McNeil was halted on 4th and 1. The Jets got another shot when Lonnie Young's hit forced Moon to fumble at the H34 with 4:59 left, but the Oilers' defense stopped the Jets on 4 downs. The Jets' defense played extremely well holding the high-powered Houston offense to just 17 points while registering 4 sacks (2 by Mo Lewis), 2 FF and 1 INT. Toon tied for the 2nd most catches by a Jets' WR in a playoff game with 8-96-1 TD.
